## About Alder & Loom

Alder & Loom is an independent clothing business based in Sheffield, offering everyday essentials, knitwear and seasonal outerwear. The autumn/winter collection contains 30 product families, from cotton T-shirts and tapered chinos to wool-blend coats. Customers can shop online or arrange collection through the showroom.

## Customer support

Email support@alderandloom.example for orders, deliveries and returns. For fit and fabric advice, contact fit@alderandloom.example. Support hours are Monday-Friday, 09:00-17:00 UK time, excluding bank holidays. The team aims to respond within two working days. Include the order reference when asking about an existing purchase.

## Showroom and collection

Showroom hours are Tuesday-Saturday, 10:00-18:00. Collection is free and normally ready within two working days. Wait for a ready-to-collect email before travelling; that email supplies collection directions. Bring the order reference. Orders are held for seven calendar days, after which support will contact the purchaser.
