Credential controls and establishment summary

Establishment

Twelve employees; total contracted hours 427.5 per week, equivalent to 11.4 full-time posts at 37.5 hours. Annual gross salaries total GBP 356,000; quarterly baseline GBP 89,000. Nina Cole, Samir Vale and Felix Rowan work 30-hour contracts. Salaries are actual contractual pay for the stated hours.

Credential meaning

Credentials here mean qualifications, training records and role authorisations. Account passwords, API keys and recovery codes are not stored in this register. Course completion does not grant application access. Copies of qualification evidence, training attendance and renewal checks are held separately.

Operational authority

Owen Ellis owns physical stock and dispatch. Idris Hale reconciles inventory. Leila Hart resolves complaints and disputed returns. Erin Shaw coordinates suppliers. Theo Bennett reviews spend. Maya Reed approves purchase orders above GBP 5,000 excluding VAT. Samir Vale controls website releases with business approval.

Access administration

Proposed document-assistant roles: Maya Reed and Samir Vale as Administrators; Theo Bennett, Leila Hart, Owen Ellis, Nina Cole, Erin Shaw and Idris Hale as Document Managers; Jude Mercer, Asha Linden, Felix Rowan and Tessa North as Readers. Account provisioning is a separate approved action. This register is an internal personnel document and is not a public directory.

Review and retention

People Operations reviews leavers and role changes immediately and credential evidence quarterly. The next register review is 11 February 2027. Do not infer home addresses, dates of birth, health information or banking details; these fields are not maintained here.
